COACHBUILDER INFORMATION UPDATE

Date: September 10, 2012
Bulletin Number: XTS 07
Subject: GM Tool Usage Letter

Please note you will be receiving a copy of a GM Tool Usage Agreement that will allow you to purchase certain materials direct from the GM supplier. Each coachbuilder will work with the desired suppliers to determine if they wish to purchase materials based on minimum-buy quantities and set up charges per the supplier.

In the GM Tool Usage Agreement there is a reference for attachment A and B, please note that attachment “A” is a copy of the CMC list and attachment “B” is a copy of the parts list that is attached to this bulletin for your files.

Please sign and date the enclosed GM Tool Usage Agreement letter and return a signed copy to P.O. Box 147, Royal Oak, MI 48068. You may also scan and send an electronic copy to Joe Pennington at: jpennington@earthlink.net.

Please note that the GM contact for parts and supplier contact information is Wayne Freeman:
